<sup>\*</sup>The person deposed went to a KINKOS conf room in Los Angeles. Had we not used ICN, we would have had to fly one of our attorneys for an overnight stay in Los Angeles.

\*\* This was a court ordered hearing. Our attorney would have traveled to Eldora even if it had been held at the courthouse, so there was no savings by doing it thru ICN.

\*\*\*Our attorney would have had to travel to Fort Madison.

<sup>\*\*\*\*</sup>Had we not done the ICN session, the deponent would have had to be flown in from San Antonio, TX. But opposing counsel was responsible for the deposition costs, so this session had no cost effect on our office.
